

Devastatingly Sexy Undercover Alien On Duty+ BBW Stuck In The Wrong Place At The Wrong Time+ An Innocent Misunderstanding+ A Dangerous Trap= Sizzling Hot Alien Romance! Young, beautiful and armed with some incredibly graceful cage dance moves, Emily Grey is one curvy diva that can't go unnoticed. Stuck in a foreign country and running a bit low on cash, the American woman is too naive to see any harm in substituting for her neighbor for a single night. But, little does Emily know that this lucrative opportunity could be anything but a blessing in disguise... Seductively handsome and captivatingly sculpted, Alan Grant is not your average undercover agent. With a background that ties him to an entirely different race and armed with a personal arsenal of supernatural abilities that make him the best in his field, the handsome hunk is all set to make his latest mission a success. No matter how much these beautiful Serbian dancers distract him tonight, the sexy alien is on an important mission and nothing can stop him from getting what he's after. No. Alan isn't here to flirt. He is neither here to make contacts among these human partygoers nor to hire one of the feisty human cage dancers writhing on their little suspended platforms around the room. No. Alan Grant—who is not even human—is here looking for a woman. A specific human female... Normally, the red-sequined-pushup-bra look doesn't really do it for Alan, even in the middle of a sexual fast the hunky alien has kept since puberty. This time, however, coupled with all that wavy dark hair, and full lips painted the exact same color, Alan finds himself staring. He blinks and has to constantly remind himself that he must keep on target. And yet he doesn't move, doesn't turn his eyes away, not from her. Looks like a glimpse of Emily's delicious curves and magical moves have set even the toughest alien's mating urges on fire. But, what happens when Alan realizes that this feisty dancer is the human he's here for in the first place. Yes, Emily Grey is that specific female... His target, his enemy yet the only human woman that this drop-dead-sexy alien craves... If an innocent misunderstanding, a deadly trap and an important mission weren't enough to make matters worse; Alan will have a tough time resisting the irresistibly gorgeous human female while keeping his "extraterrestrial background" a secret. Sure, the undercover agent has his own secrets to protect but he is soon going to figure out that there's more to his gorgeous foe than meets the eye!
