Dark, handsome, and angry, he glared down at me like he wanted to eat me alive - and not in a good way... Shes the quiet good girl, living peacefully in her cottage and content with just her cat, Whiskers, for company - until he moves into the mansion next door. A bad boy since high school, hes back in town with his newfound wealth, hiding away in his fortress. Shes the mouse to his catlike machinations - but she wont play his games forever... Elaine Dean wakes up one morning to find that Whiskers, her fat orange tabby, has escaped and is sunning himself behind her neighbors house, so she climbs over the fence to reclaim her pet. Shes not prepared to come face to face with Sanford Welles, her new, wealthy, reclusive neighbor. Sanfords bought himself a veneer of respectability in the years since high school, but hes still the same hot-tempered, hungry bad boy just beneath the surface. When Sanford hires Elaine to appraise the antiques left by previous owners of his new house, she soon learns that his true intentions are more carnal than monetary. As Elaine and Sanford find their lives - and hearts - entangled, they draw closer. But when an uncovered secret from Sanfords bad boy past changes everything, Elaine has to decide: does this new tomcat truly have a place in her life? Sexy, sultry, and endearing, TOMCAT is more than 50,000 words, filled with twists, turns, and a happily ever after ending thats guaranteed to satisfy! Theres even a bonus novel, SACK, included! Does love have nine lives? Find out for yourself! Content warning: This novel contains explicit scenes of sex, and is intended only for adult romance lovers.
