

Bad Heir Day

After being dumped by her rich, handsome boyfriend, Anna vows to give up men forever. She takes a job as a nanny in the ritzy Kensington home of the Knights. Armed with a Hoover in one hand and Harry Potter in the other, Anna finds herself living with the family from hell: Cassandra, a social-climbing romance novelist with writers block; Jett, Cassandras cheating rock-star spouse; and Zak, their spawn-of-satan son. So when Anna meets Jamie, the dashing heir to a castle in Scotland, she figures hes too good to be true. And she just may be right ...Featuring an irrepressible heroine and a story that bounces along at the speed of laughter, Bad Heir Day is the hilarious follow-up to Wendy Holdens irresistible debut novel. It is a witty and delightful romp certain to captivate readers on both sides of the Atlantic.
