

In All Things, Balance

The People are in a time of great need. The Prophecy of Light has been rediscovered, the Eternal Order constitutes a growing threat, and the IECS Archives may hold the key the People need to forever be free of Ans curse. Moira the Reluctant, immortal Daughter of the renowned Rebecca Upton, journeys from her home in Ireland to assist with efforts to locate Sanctuary, the legendary refuge of the Seven Sisters. There, she meets Tom Fairfax, a reserved archivist tasked with organizing and modernizing the Archives. Tom is everything a Daughter could want in a future mate, handsome, intelligent, and kind. Above all, his touch arouses her in a way no other mans ever has. The moment Tom spied Moira, his heart tangled into a knot and hasnt loosened since. The beautiful Daughter has a sharp tongue and a temper to match, and is not at all the kind of woman he dreamed of calling his own. In spite of the attraction he feels for her, Tom goes out of his way to avoid the fiery Daughter, determined to protect himself from certain heartbreak. Moira is equally determined to have him, regardless of his apparent infatuation with another Daughter. When Moiras brother is kidnapped, she and Tom are thrown together in a way neither anticipated, forcing them to trust one another or risk losing their budding love under the crushing weight of the Orders never-ending quest for continued immortality.
