

## Bearly Breathing (Alpha Werebear Shifter Paranormal Romance) (The Jamesburg Shifters Book 4)

Clea Kellen is the owner of Jamesburgs most popular daycare. And on top of that, shes a lithe, witty, pointy-eared lynx shifter whose biological clock is tick-tick-ticking away. Shes part-time mama to a gaggle of bouncing shifter babies... but a mate? For Clea? Who has the time! A family? Just a dream. That is, until she catches a glimpse of a golden bear with pale brown eyes, watching her in the distance, and all at once, her stomach gets tied up in the best kind of knot. Bear-shifting, rogue biker Orion Samuelsson is on the run and nursing more than a little bottled up rage. For years, hes been haunted by the cruel, brutal leader of his old club, the Dirty Devils. Love? Happiness? All distant fantasies. That is, until he lays eyes on a gold and black lynx-shifter dashing through a river. On a daycare camping trip, Cleas whole world in the form of a giant fir tree comes crashing down. She dives to cover one of her cubs, sure shes done for. When she finally opens her eyes, she cant believe the massive, golden bear standing in only feet away with fire in his eyes and a tree on his back. As he stares into Cleas soul, straining under the fallen fir, Orions buried desire for a mate, and a family to call his own, burns deep in his heart. Right then, he knows hes found her. He knows he wont rest until shes his, until he possesses her, takes her for his mate... forever. But, with Orion on the run from his former gang, and Cleas brain telling her to put on the brakes while her heart is screaming for her to hit the gas, will these two fated mates give in to love... and to each other? \*\*\*The Jamesburg Shifters is a series of standalone novels - NO CLIFFHANGERS HERE!\*\*\*
