AMAZON TOP 50 BESTSELLER!!!5 NEVER-BEFORE-BUNDLED NOVELS AND ONE BONUS NOVELLA FROM NEW YORK TIMES BESTSELLING AUTHOR MARIAN TEE. Werewolves, immortals with dragons for souls, demon dukes, and a lot more! Falling in love with a shifter is often a perilous choice, not only to a woman's life but her heart as well. There's something about these shapeshifters and immortal warriors that make you want to risk everything, knowing that when they do fall in love, they do so for eternity. To Love a Shifter: A Paranormal Romance Boxed Set offers all the supernatural romances you'd want, ranging from sweet and funny Young Adult stories to sizzling-hot adult BBW contemporary romances. In *The Werewolf Prince and I*, Misty Wall is your average girl: not too slim, not too pretty, and broke as hell. She wished for her life not to be too boring, but she gets more than what she bargained for when her boss, CEO Domenico Moretti proposes a marriage of convenience. Oh, and there's also the little thing about Domenico being a werewolf prince, too. In *A Royal Heartbreak*, the love story of Domenico and Misty continues as war looms in the horizon. Will Domenico succeed in convincing his princess he loves her more than his ambitions for his pack and his destiny as the one prince to rule all Lycans? In *Suit & Fangs*, the race of Caros - powerful beings that were what vampires used to be - is introduced, together with Caylie Sonora, an 18-year-old Caro heiress who's bent on one thing: make Luka Georgiades fall in love with her and then break his heart the way he broke hers years ago. In *The Demon Duke & I*, photo-blogger Georgina McCartney knew her beautiful arrogant captor Silviu Draghici is crazy when he tells her two things. First: he's a demon. Second: she's destined to be his duchess, and he's not letting her go. In *Evren: Enter the*

Dragonette, Deli chooses to save herself from certain death by allowing her rescuers to transform her into Evren: immortals with dragons for soul. As she starts her new life with the Chevalier brothers, she finds herself falling more and more for Lucian, who unfortunately only treats her as a sister. In *Awakened: The Zombie Who Loved Me*, back-up dancer Dizzy must find a way to protect her heart. Her bodyguard Varthan, a zombie-slash-Viking-warrior, is bent on seducing her. That wouldn't have been so bad if only he wasn't doing so because he considers it his duty to teach her about the art of lovemaking. Offering more than 1,000 pages of fast-paced paranormal romances that will keep you at the edge of your seat, this boxed set is guaranteed to make you dream about finding a shifter to love as well.
