

## The Cougarettes Secret (Volume 5)

CeeCee Banks has a secret. Several, actually. It's been a month since Jay ended their hush-hush affair, walking out on CeeCee and not breathing a word to her since that Valentines Day night. Giving up on men and calorie-counting, CeeCee has decided to refocus all of her energy into her new foundation Chronicles and her adopted toddler daughter Brianna. She is convinced that her sex- and diet-free existence is the secret to happiness, despite the warnings of her no-holds-barred therapist, Dr. Okilo. However, the men in CeeCees life wont make her journey toward contentment easy at all. When JimLee arrives to New York to begin his work at Chronicles, its clear from first sight that the Country Boy has replaced his tattered jeans with tailored suits and the City Slicker has noticed! His transformation puts CeeCees self-imposed celibacy to the test. Meanwhile, CeeCees father Lionel falls in love with a potential donor that CeeCee needs to keep the foundation afloat. When Jay drops a life-changing bombshell, CeeCees world is rocked off its axis possibly severing their relationship for good. In this final installment of The Cougarette Series, see what happens when CeeCees life is jam-packed with even more drama than before: rekindling a spark with her high school sweetheart, dueling with Jays girlfriend Sophie, and making sure that her eternal playboy father stays faithful to the woman that holds the financial fate of Chronicles in her well-manicured hands. Not to mention, CeeCee has a huge secret of her own and it all started with Laneys period.
