

Broken Dolls

Mina Calloway always finds herself in the hands of the wrong master: Gentle at first, then brutally sadistic and abusive. She no longer believes its possible to find a man who will be gentle with her. After seeing a kink-friendly therapist for months, the doctor makes her an illicit offer she isnt yet smart enough to refuse: Let me find you a good master. Brian Sloan is a borderline sociopath with a dark and brutal past. Only taking his sadistic urges out on the women at a submissive training house allows him to sleep through the night. When Brian sees Mina, she should be ripe for the picking, but her damage is too similar to his own. Can he fight past his demons to protect the one person he considers worth saving?

Note: This book happens in the same world as Guilty Pleasures with reoccurring settings and characters. However, it is not a direct sequel and it isnt necessary to have read Guilty Pleasures first. If you enjoy this book, however, you may also enjoy Guilty Pleasures by Kitty Thomas.
