

A Case Of The Heart

Liz, a spirited and compassionate social worker, has one of the roughest beats in Denver. Officer Alex Demas has bailed Liz out of more than one tough situation, and his attraction for her is building. When one of her clients is caught up in a drug ring, Liz and Alex must face what lies between them and snare the drug dealer before he finds her client.

A 59-year-old nursing home patient with Down syndrome was brought to the internal medicine department of our hospital due to fever, cough. Earlier this year, my partner at Gulf Coast Entertainment Susie Criner sent me a link to a NYT article by Thomas Friedman about technology. The following case studies have been chosen to illustrate the basis for therapeutic management of systolic heart failure and outline the remaining gaps in.
