

- Book 5 in the Hells Canyon Shifters series - Rae Lynn Dormer is about to find out just what kind of monsters are lurking in the wilderness of Hells Canyon. Determined to do a good deed, she gives a stranger a ride to a ranger camp nestled deep in the Seven Devils Mountains. The problem is, when she gets there, her new acquaintance turns into a lion in the front seat of her Honda. When a burly bear comes to her rescue, she's just about seen it all. The clan holds her captive, but she's determined to escape. Jesse, the Seven Devils Clan's sexiest shifter, is laying claim to her heart, and if she doesn't escape now, she just might become a part of Hells Canyon forever. Jesse Hayes is done with relationships. He has too much to protect, and history says he'll fail as a mate. But when Rae comes barreling into his camp, his inner animal has other ideas. She's attractive, intelligent and fearless, and he's ready for a mate as strong as her. But if he doesn't hide his secrets well enough, they could demolish any chance he has with the woman who is stealing his heart. Lions and secrets and bears, oh my! Don't miss the thrilling conclusion to the Hells Canyon Shifters series. Content Warning: explicit love scenes, language, and sexy shifter secrets. Adult only bear shifter romance.
