OPPOSITES ATTRACT. IF THEY DONT COMBUST FIRST. To some, he is an assassin. To others, hes merely the man who gets the job done when no one else can. Now politico-military black-ops leader Roman Chernichenko has to take out the leak in an espionage plot that could destabilize all of Africa. Nothing will distract him from his mission. Not even the deliciously appealing blonde whos awoken his deepest desires -- and just happens to be his target... Tanya Ruston is a beautiful and brainy do-gooder -- and now Roman is supposed to dispose of her when all he really wants to do is seduce her. Soon its clear Tanyas no information agent -- and now that his conscience has gotten the better of him, he and Tanya are on the run from the good guys and bad. If theyre going to make it out alive, Roman will have to act fast -- and stop thinking about how hes going to get his feisty new charge down the aisle...
