

Eternal Covenant (Living Covenant Trilogy Book 3)

Is happily ever after finally here? The wedding is coming! The wedding is coming! Zoe Lake and Aric Winters are ready to say I do. They've fought sphinxes, witches, and monster hunters and all they want now is peace. Unfortunately, that's not so easy to find. When the wedding planners and warring mothers descend on their happy home, Aric and Zoe are plunged into a world they never expected. Zoe doesn't desire a white dress, and she certainly doesn't want a champagne fountain, but her wishes are pushed aside to make way for the people who want to make a showcase out of her special day. Nothing is simple in Zoe and Aric's world, and that includes the new threat which looks very much like an old one. The most powerful mage in the Midwest is a coveted commodity. Everyone wants her power, but only one man wants her love. Aric and Zoe aren't afraid of a fight, but the one pressing down on them is something they never expected. Can Zoe wage a war without giving up the only thing she's ever truly wanted? Can one happy couple put old demons to rest and walk down an aisle littered with past mistakes and regret? And, more importantly, can destiny really exert a powerful hand and let happily ever after be a reality? It's time for Zoe and Aric to make the ultimate pledge no matter what evil force opts to stand in their way.
