An Original Vampire Zaaren has spent the last three hundred years asleep and woke to a new world. He doesn't expect what was Lucius' growth in power and his sister's defiance. As Zaaren struggles to find where he fits in with Lucius' plans, he chases a ghost from his past. But his plans change when he befriends a Hunter. A Hunter Crystal is no stranger to vampires, but the last thing she expected was to be trading information with an Original. Corruption within the Hunting Society leads her to a trail of betrayal and death. Her own past is catching up to her as she navigates dangerous waters. In both Societies things are about to change
