

Forbidden Passion 1

Is there such a thing as love at first sight? When 27 year old Amanda Evans leaves for a trip to Italy, that question is the furthest thing from her mind. Then she meets 25 year old Matteo Rosetti. He is the epitome of tall, dark, and handsome. There is an immediate attraction between the two, but Matteo is in a complex relationship with his longtime girlfriend, Francesca Parisi. Amanda and Matteo settle on becoming friends. But they soon discover that there is a real passion between them. It is unlike any passion that either has experienced before. But Matteo's relationship with Francesca makes it a forbidden passion. Can Amanda and Matteo continue to deny how they feel? If there is love at first sight, can a forbidden passion stand in the way? Don't miss the sexy first novella in the Forbidden Passion New Adult Romance series by E.J. Adams.
