

[Menage and More: Erotic Consensual BDSM Menage a Trois Romance, M/F/M, diphallia, spanking, sex toys, HEA for M/F] Dizzy Benson is a free-spirited woman who follows her own path. Her hair looks like it has been styled with a tornado, and she is short and chunky. But she is also brilliant and owns her own company. Dizzy is looking for someone special to share herself and life with, someone big and hunky and rich enough that she doesn't have to worry about being taken for her money. She meets Jon Drake, a real estate broker with a killer smile. He certainly doesn't look like a man who would come on to a woman bigger than a size zero, but he sees Dizzy and decides she would be just what he wanted, smart, independent, and sexy as hell. They find out that they have much more in common than either one of them dreamed. Jon has a "special" surprise for Dizzy, and she loves it. When his brother arrives unexpectedly, Jon and Dizzy have a healing birthday gift for him. Note: There is no sexual relationship or touching for titillation between or among siblings. ** A Siren Erotic Romance
