

## Closer Than You Think (The Cincinnati Series)

From the New York Times bestselling author of *Watch Your Back* and *Did You Miss Me* comes the newest novel by the queen of romantic suspense (Crime and Punishment). Psychologist Faith Corcoran is desperate to escape the stalker who's made her life a nightmare for the past year—desperate enough to run to the one place that has been her nightmare far longer. Both boon and bane, her recent inheritance of her grandmothers old house in Cincinnati offers sanctuary in which she can start her life anew, but requires that she face the dark memories that still resonate to this day. But she has no idea how close to home her fears still are. Two college girls have gone missing in the area, and FBI Special Agent Deacon Novak is called to work on the case. When his inquiry unexpectedly leads him to Faith, he finds a beautiful and brave woman he can't help but fall for. Soon they'll discover that this seemingly simple investigation is anything but. Reaching back decades into Faith's own past, it will shatter everything she believes to be true and will give terrifying new meaning to flesh and blood.
