

Syn-En: Plague World: The Founders War Begins

A dark secret. An impossible paradise. An echo of things to come. Admiral Beijing York and his cyborg soldiers have been busy rescuing refugees since Humanity registered as sentient. Their latest mission takes them deep into hostile territory to Surlat, home of the Plague that nearly wiped out all life in the galaxy. Their mission of mercy quickly turns into one of survival. For a dark secret will be revealed and a war ignited. Can Bei save his wife and Syn-En family, or will they become the first casualties? Plague World is the fourth installment of a seven-book military sci-fi space opera. If you enjoy adventure mixed with compelling suspense, space battles, and a touch of romance, then you'll love this saga by Linda Andrews.
