

## Stoking the Embers - Book 3 (Volume 3)

Leslie Johnson has done it again. I loved this book. It was so exciting. It was a thrill ride roller coaster. I once I started it, I had a hard time putting it down. Jessica Lowe Absolutely amazing! A must read! This book has you on the edge of your seat on what is going to happen to Stephanie and Ken. Kaylee Nizza The nightmare continues for Ken and Stephanie as the lunatic haunting them remains free. They take a stand and hold onto each other, sticking together for better or worse. Worse. They thought theyd know what worse was. But worse wears many faces it seems. Their love and passion will meet its great challenge of all, turning Stephanies greatest fear into reality. Welcome to the final book of the Stoking the Embers Trilogy. Discover how this emotional roller coaster ends.
