

Lunar Light (Beautiful Damned) (Volume 1)

When the full moon haunts the sky, Evangeline prowls the dark as a Wendigo, a fearsome mix of human and beast. The night an injured outcast falls into her claws she must defy her keeper, the laws of nature and her own morality to protect him from the hunter who wants his head as a trophy. Struggling to reconcile her cannibalistic urges and gentle temperament, Evangeline must move beyond the ancient curse of her ancestors blood, and become legend.
