

## Chaotic War (Sons of War) (Volume 3)

While Xavier Sullivan may be the calm, reserved brother, his dragon is not. Especially since the beautiful, unorganized demi-goddess, Danielle Roberts a.k.a Elle moved into the mansion and into his life. She disturbs his OCD and makes him yearn for things he shouldn't, but he can't stay away from her. Nor can he deny her anything. Including his blood. Ever since arriving at the home of the Sons of War, Elle has been plagued with dreams of the past and future. The visions are taking a toll, causing her debilitating headaches and ruining her sleep, but she doesn't know what it all means. Her mother, Nyx, the Goddess of Night, has never bothered to show up and explain things to her. Until she arrives and unlocks Elle's powers, promptly transforming her into a half-daimon, half-goddess. Now, Xavier may be her only hope of holding onto her humanity, but can she bond with him after everything she's seen? Especially in the midst of everything the Sons and their mates are going through.
