

Falling From Eternity (A Paranormal Love Story, Novella)

For William, life was as wicked and malicious as the beast he was trying to destroy. Decades spent living a life of extravagance, domination and ravenous hunger haunted him. But when you live forever, the past never stays buried. And that which wishes to control you, will never let you go. William thought he found his escape, his one and only love, but the thing he fears the most could be the only thing that saves them. Or, it could doom them all.
