

The Forbidden Castle

Aimee has hoped for Geoffrey to make her his wife for as long as she can remember, and though he treats her with contempt she remains determined to win his heart. When Geoffrey sends her on a journey to bring back a woman he wants for himself, Aimee sets out to do his bidding. But the trip does not go as planned, and after losing her way and her horse Aimee takes refuge in a stable for the night. The next morning, she finds to her shock that she has stumbled upon a dark, forbidden fortress rumored to be inhabited by a terrible beast. Upon being discovered by Alderic, the castle's stable master, Aimee does her best to explain her presence. But after catching her in a lie, Alderic scolds Aimee and, to her great shame, chastises her firmly. Yet Alderic's gentleness after her punishment surprises Aimee, and she cannot help enjoying his attention and wondering why it is that this stable master treats her with a kindness Geoffrey has never shown. But the fortress is a dangerous place, and soon Aimee falls into the hands of a man who knows nothing of gentleness. Can Alderic save Aimee from torment in the dungeons, and if he does come to her rescue, will he be able to forgive her when he discovers the truth about her presence at the castle?

Publishers Note: The Forbidden Castle is an erotic romance novel that contains spankings, sexual scenes, extensive BDSM content, and more. If such material offends you, please don't buy this book.

Style: The Forbidden Castle. Finally, a vacation! This year, you're going to an idyllic village in the mountains. Instead of driving, you decide to take the train this time. The castle is the highlight of the hike, but hardly have the hikers entered the old walls, when the squeaky doors close. Escape appears impossible but strange hints may lead players in a new direction.

Exit: The Game The Forbidden Castle is a puzzle game modeled after - 9 min Exit: The Forbidden Castle Review. Game Boy Geek. What does this rating mean?
