

## Expect Me (Rivers Edge) (Volume 3)

Two Strangers. One Night That Changes Everything. Travis Stevens spent one amazing night tangled up in the sheets with a beautiful woman, only to have her disappear just before dawn. Armed with only her name, Travis sets out to forget all about Josselyn and their night together. But what do you do when the woman invades your thoughts day and night? For two long months, Travis struggles to move on from the one woman in which he had it all for one night. Josselyn McCray spent one perfect night wrapped up in the strong arms of a handsome stranger before running out in the early morning light while he was still sleeping. Now, down and out on money and luck, Josselyn is forced to face life altering decisions about her future. A future that is going to, whether she's ready or not, involve the man she hasn't been able to forget. Travis Stevens. Brought together by one night of passion and linked together forever, will Travis and Josselyn be torn apart by high-demanding obligations and the stresses of getting to know someone? Or will they overcome the odds and find their own way together to live out their happily ever after? One thing is certain: life is not always what you expect.
