

Broken Silence (Family Secrets)

The secrets out -- and people are talking! After years of silence, evidence has surfaced of government experiments in genetic manipulation. The media has even speculated that these experiments were successful and that the extraordinary children could be anywhere ... and anyone. Wild rumors are circling the globe, and at the epicenter is Greenlaurel, Texas. The matriarchs of this affluent town want to allay the fears of Greenlaurel's residents and put to rest the dangerous questions being asked about adopted members of their community. The Bluebonnet Ball seems like just the event to divert the town and calm their anxieties ... or so they think.

Join reader favorites Maggie Shayne, Eileen Wilks and Anne Marie Winston for a night of festivities where dangerous secrets abound, dark pasts are exposed and passionate encounters ignite! Five extraordinary siblings. One dangerous past.
