

## Fated Blood: A paranormal erotic romance series (The Twisted Destiny Saga Book 5)

After the shocking events of three weeks earlier, Ryan is a mess. With his son kidnapped by Oriana and his wife gone, he struggles to hold on. Grief-stricken and possessed by an overwhelming sense of guilt over what happened to Cora, he is only one step away from losing his sanity. When Nathaniel and Luca suggest that there may still be hope for Cora, Ryan refuses to believe it; to allow himself anymore false hope. But as they finally get a solid lead on Orions whereabouts, there is a change in Coras condition. Soon, Ryan is unable to deny that she may not be as dead as theyd all believed. But does Cora really possess the power to transcend death itself in order to return? And even if that was the case, is it really possible for Ryan to get his wife and son back and return to the way things were after so much has already happened between them? Or is it too late?
