

Frost Line

Lenna is Strength, a manifestation of the Tarot card, and powerful beyond reckoning. But when she's pulled into the human realm and tasked with protecting a young boy, everything is thrown into chaos. Lenna is not supposed to be here, interacting with mortals. She's definitely not supposed to be drawn to the sexy mercenary sent to retrieve her by any means necessary... As a Hunter for magical beings, Caine's duty is simple: return this compelling, impossibly attractive woman and secure the long lost Tarot deck that made travel between worlds possible. Instead he's drawn into Lenna's dangerous rescue mission and blindsided by his growing feelings. But there is more than one enemy to contend with. And as the clock runs out, failure means not just the loss of an innocent life and the woman Caine has come to love, but the destruction of Lenna's entire world.

Mississippi Extreme Frost Line Penetration (in inches) State Average Frost Depth: 8". Source: U.S. Department of Commerce. Our Best Plumbing Tips Noun. frost line (plural frost lines) The depth to which the water present in the soil is expected to freeze in winter.
