

In House of Dreams, two aristocratic families, one English, one Spanish, have been tragically destined to come together time and again over the centuries. Cassandra de Warenne spends her days in a quiet English manor, looking after her young niece, while her sister Tracey lives the glamorous life of a jet-setter. When Cass meets Traceys newest conquest, Antonio de la Barca, she isnt prepared for the intense and immediate attraction - an attraction that heralds something deeper, more powerful, and more dangerous than Cass could ever imagine. For the de Warrennes and the de la Barcas have a tangled history of horrendous heartbreak, bitter rivalry, and bloodshed that began 450 years ago, with one woman, Isabel, forsaken and betrayed by her family, her lover, and her friends. Today Isabel has summoned the two families together one final time - this time to complete a quest for vengeance from beyond the grave.
