

Love on Line One! / Not Precisely Pregnant

Paige Montgomery is known in certain circles as Pollyanna Paige. She lives by the station's motto, Nice News Matters. When she gets in trouble she's rescued by an unlikely hero...Riley Calhoun. He's more known for his cynical columns in the paper than for playing white knight, yet this time he rides to the rescue and saves Paige's life. Now she wants to tell the world that he's a hero, but Riley prefers to keep that news to himself. Whether or not he thinks of her as a real reporter, Paige is going after this story with a real-reporter's tenacity. Unfortunately, Riley tends to find himself injured when Paige is around...hockey pucks, killer cats, run-away trucks and chronic heartburn. If the two of them don't end up killing each other, they may find what they've got is...love?
