Introduction People living in foreign countries can easily tell you that they encounter so many challenges in their day to day activities. Those living away from home for the first time normally feel loneliness and homesickness just a few weeks after moving into the foreign country. Others feel depressed and remain locked indoors for several weeks as they try to figure out how to adjust to the new environment. With all these and many more challenges, all those planning to move into another country must thoroughly prepare for the kind of lifestyle waiting for them. With inadequate preparation, life could become very uncomfortable and therefore force them to come back home without achieving their goals. However, no need to worry about anything as life in another country could be so much interesting if you properly prepare and know how to adjust to different conditions.

Each year there are tens of millions of people around the world who migrate from one country to another or from one continent to another. Some prefer moving to neighboring countries while there are those who want to explore other parts of the world far, far away from home. Since most of them manage to adapt to the living conditions in their new countries, you can also manage to do it if you're willing to do everything possible to live there. The book *How to Prepare and Survive in a Foreign Country* is equipped with everything that should be done by those planning to move abroad. After reading the book, you'll have ideas on how to prepare before moving abroad, what to do and what not to do when abroad. You'll also get to

know how you can adjust your lifestyle to fit in the new country and cope with the numerous challenges facing foreigners in that country. Investing back home or in the foreign country will be much easier as you'll know how to go about it after reading this book. Start your journey to a comfortable and fulfilling lifestyle abroad by reading *How to Prepare and Survive in a Foreign Country*.
