

Between Two Alphas (BBW Shifter Menage Romance)

I had come here to learn, and learn I would. Just not in the way that I had expected. Arabella is a curvy young woman, interested in learning more about wolf culture, especially when she hears about a bar run by two alpha shifters in her college town. She's heard tales of women drawn to the bar during the full moon, lured in by the pheromones of the pack as they seek out young, fertile women. But she doesn't buy into the legends -- she just wants to talk with the two alphas, Gage and Bryce. And after she meets one of the handsome, muscular shifters, she soon learns that Bryce and Gage wish to share a mate. Will Arabella overcome her shock and give way to the lust that sizzles between her and the two sexy shifters? **Originally published under the name of Sierra Wolf**
