

A romantic who believes in love... Walking love disaster, Mia Donovan, is a reality television production assistant by day, secret dating blogger, Lonely Girl, by night. All she has to do to get the job of a lifetime is face her fears and step in front of the camera. Unfortunately that also means dating her nemesis, Single Guy, for the entire world to see. A cynic giving love advice... Reluctant, dating columnist, Ryan Matthews, otherwise known as Single Guy, thinks reality-dating shows are soul-sucking endeavors that have more to do with selling unrealistic expectations than love. But for a shot at writing serious stories, he's willing to go undercover on Love Reality to do an expose on the dating competition. What he doesn't count on, is falling in love.
