

Inspection Authorization Test Prep: A comprehensive study tool to prepare for the FAA Inspection Authorization Knowledge Exam (A Fast-Track Series Guide)

With more than 400 sample questions all of which are based on previous testing experience this sourcebook is ideal for aviation maintenance technicians seeking to add Inspection Authorizations (IA) privileges to their license. As a closed test with the questions not made known to the public, applicants will utilize the comprehensive and effective sample questions, answers, and explanations presented herein to prepare for this difficult exam. The Federal Aviation Administration references from which the sample questions are derived are included so that applicants can prepare with the exact material they will find on the exam.
