

What do you do when the one you love is unmercifully torn away? Powerful Fae magic has incarcerated Brook's divine husband's soul, and the only way to restore him is to do the impossible... Aided by the brooding blonde warrior, Bran, Brook sets off on a quest that takes her through a magic mirror onto the prairies of North Dakota, where she seeks out the help of the reluctant 'spirit breather' of the Lakota tribe. But convincing the spirit breather to help isn't her only problem. Brook would give her last drop of blood to have Arwan back, and as it turns out, she might just have to. Coming to terms with the sacrifice she must make, Brook is forced to face the reality of her own forgotten past, and the depth of her feelings for another man... Into The Dark is the next thrilling and passionate fantasy romance novel in The One Saga. Praise for The One Saga.... 'The courageous character of Brook will pull in the reader immediately, as will the plot. Though this may seem an unlikely setup for an erotic exploration in true love, alternate realities, and coincidence-as-fate, its all here and done tremendously well. Ultimately, this can be read as a very light and fun book. Readers may find the book terrifying, sometimes cerebral, and at many points erotic. This is another you'll know it when you find it story of true love, and its 99 percent (paranormal) fantasy, but because its done in such an unusual way, it will surely be enjoyed.' (Source: Publishers Weekly - quotes taken from review of manuscript) Annaliese Plowright has produced a (paranormal romance) novel of perceptive insight to so many aspects of human nature - some of them on the dark side, many of a far nobler aspect; she has also penned a rattling good story. (Source: Tavistock Times Gazette) The One is a delightful dark fairytale set to a backdrop of contemporary Scotland and its rich storyline cries out for a sequel from this exciting debut author. (Source: Dumfries & Galloway Standard) An enjoyable step into the world of fantasy. Goodreads Reviewer I found myself unable to put it down and I am now a fantasy romance convert.
