

Somebodys Wife: The Jackson Brothers, Book 3

The Jackson Brothers, a heart-wrenching family saga from NY Times and USA Today bestselling author Jasmine Haynes. A family torn apart by tragedy... Three years ago, Lou Jackson, the eldest son, died in a work accident. And nothing has been the same since for the Jackson family. They lost their heart and soul the day Lou died, even as matriarch Evelyn tries to keep them together. But things are changing and the family will either find their way back to each other. Or they'll be torn asunder. Connie Jackson wants another baby, but her husband no longer desires her. She's beginning to suspect he's having an affair. Once the woman with the smartest kids, the happiest home, and the best marriage, now she's just somebody's wife whose husband is cheating on her. There's only one thing to do. Connie's going to have to seduce her husband back into her bed. Mitch Jackson loves his wife too much to ever look at another woman. But his brother's death has taught him that life can fall apart in the blink of an eye, and the fear of leaving his family defenseless if he's gone has robbed him of a decent night's sleep for the last three years. And now his wife wants another child they can't afford. When Connie pulls out all the stops, she becomes the seductress he can't resist. Mitch has only one option, but if Connie figures out what he's up to, it could mean the end of their marriage. *Somebodys Wife* is a contemporary romance of approximately 26,000 words and contains super sexy material.
