

Light Me Up (Tough Love Series Book 2)

Chase has everything a rock star could ask for. Girls. Money. Booze. Fame. What he doesn't have is the one woman who makes his blood boil. Jess Wu. The tiny Chinese firecracker who makes him hard with just one look, and who seems to think he's invisible. Jess has worked hard to earn her reputation as one of the best lighting designers in the world. It's quite possible she's a work-a-holic, but in the absence of a love life, there's not much else to take up her time. Working with the rock band Cyanide is proving to be a problem, though. The sexy lead guitarist is tempting her in ways she'd rather not be tempted. He's sex personified, but Jess has a few kinks up her sleeve that don't exactly go hand in hand with a happily-ever-after. Thankfully, Chase isn't the happily-ever-after type. Naughtily-ever-after, though, is just his speed. All he needs is to convince Jess to go along for the ride (Contains adult material, including explicit sex, very light femdom, and a healthy dose of rock and roll. This is a short story that does not end on a cliff-hanger, but is part of a series with recurring characters.)
