

## The Letters: A Novel

At once humorous and heart-rending ... The evocative style of Luanne Rice meshes splendidly with Joseph Monningers in a moving collaboration [that] brilliantly illuminates the precious value of relationships. Wichita Falls Times Record News For those who love and those who hope to love again. Lincoln Journal Star Sam and Hadley West are both trying to survive a shared, unthinkable loss. For Sam, a sports journalist, acceptance means an arduous trek by dogsled across the Alaskan wilderness. For Hadley, it means renting a benignly haunted, salt-soaked cottage off the Maine coast, where she begins to paint again. Waiting for their divorce to be finalized, they begin to exchange letters, filled with longing and truths they've never before voiced, as they recall their marriage's magic moments and its challenges and rediscover the reason they fell in love in the first place. In this remarkable collaboration, acclaimed writers Luanne Rice and Joseph Monninger combine their unique talents to create, through a series of searching, intimate letters, a powerful novel of an estranged husband and wife and the moment that changed the course of their lives forever. It's hard for the reader to remember that she is reading fiction and not eavesdropping on personal correspondence... . A journey of discovery that celebrates the beauty of letter writing, an art fast disappearing. Booklist Exquisite ... a story of hope, healing and possibilities. Concord Monitor
