

New York Times and USA Today Best-selling paranormal romance author Felicity Heaton presents Hunter's Moon (Vampires Realm Romance Series Book 6) The horror of the night he failed to save his werewolf pack from the cruelty of their vampire masters has haunted Nicolae for one hundred years, driving him deep into the Canadian wilderness in search of peace. That peace is threatened when unfamiliar hunters and the scent of blood lead him to a beautiful woman and a hard decision—face his past and help her or risk losing everyone he cares about again. Bearing a heart filled with grief and with vengeance on her mind, Tatyana is intent on killing the hunters she's tracking and returning to her vampire bloodline, but her plan didn't include being shot with poisoned arrows or rescued by a glowering alpha werewolf who stirs forbidden hunger in her. When the hunters make their move, will Nicolae be able to stop them before it's too late? Will he be able to overcome the darkness in his heart and embrace his desire for a vampire? And can Tatyana face her fears and risk her life for the sake of forbidden love?
