

Moon Dragon (Vampire for Hire Book 10)

Nine years ago, federal agent Samantha Moon was the perfect wife and mother, your typical soccer mom with the minivan and suburban home. Then the unthinkable happens, an attack that changes her life forever. And forever is a very long time for a vampire. Now in MOON DRAGON, private investigator Samantha Moon investigates allegations by her dead ex-husbands mistress that a killer is on the loose...a killer who just might be immortal. And when another woman vanishes, the clock starts ticking... As Sam digs deeper into the case, a very dangerous supernatural creature makes his presence known. A creature with a pedigree of evil. A creature who knows her all too well. A creature who just might be history's greatest mass murderer. Most of all, she needs to find the missing woman before it's too late. After all, Sam knows the intended time of the murder, but not the place. Now in a race against time, Samantha Moon is about to discover the lengths one sadistic pack of immortals will go to feed their bloodlust...

****Acclaim for J.R. Rain and Samantha Moon**** J.R. Rain's Samantha Moon, private investigator, is a vampire heroine to cheer for. The VAMPIRE FOR HIRE urban fantasy series has sparkling dialogue, quirky mystery, paranormal thrills and chills, fun romance and humor, and a great ensemble cast of characters. Get hooked with MOON DANCE and be swept away into the mystique of an unforgettable vampire saga. Eve Paludan, bestselling author of the WITCH DETECTIVES series

I enjoyed Moon Dance immensely. The protagonist, Samantha Moon, is a female vampire with a husband and children. Those predate her condition; six years ago, she was attacked by a vampire and rendered into one. Now she's trying to carry on with family and private eye business, and she's a feisty, skilled person, so is doing mostly okay. It is not a horror story; she buys animal blood to eat and doesn't

generally prey on humans. But her husband has an increasing problem with her coldness not of spirit, but of body. You sicken me and scare the hell out of me, he tells her. And when I touch you its all I can do to not gag. She replies, Words every wife wants to hear. I love this! What makes it special are her character and nature. Piers Anthony, bestselling author of the XANTH series J.R. Rain delivers a blend of action and wit that always entertains. Quick with the one-liners, but his characters are fully fleshed out (even the undead ones) and youll come back again and again. Scott Nicholson, bestselling author of the AFTER series Is it possible to redefine two genres in one book? I dont know, but J.R. Rain has left a lasting impression for the vampire and mystery genres. P.J. Day, bestselling author of the WITCH MYSTERIES series Impossible to put down. J.R. Rains Moon Dance is a fabulous urban fantasy replete with multifarious and unusual characters, a perfectly synchronized plot, vibrant dialogue and sterling witticism all wrapped in a voice that is as beautiful as it is rich and vividly intense as it is relaxed.
