

## Moon Bound (Moon Maidens Book 2)

Under the glare of the full moon, friends and foes alike meet their destiny. Wolf shifter Misty never thought she would rescue a damsel in distress, but when she stumbles across a bloodied girl on her run, she has to act fast. An action she ought to regret when that girl turns out to be a Were shifter, and thus an enemy of her pack. Feelings cannot be denied, however, and when she meets Sofya again, the girls give into their attraction for each other. The path to true love is never smooth and tensions rise further when Sofya's father is implicated in a shifter death. Will this news tear the two lovers apart or can the moon bind them together?
