

## Shake Well (Natural Beauty)

Another sassy, sensual, Southern romance from author Holley Trent - the first in the Natural Beauty series! Also available: Polished Slick and Clean Slate. Chemist Nikki Stacy has ambitions beyond playing mad scientist in her parents garage. The former prima ballerina is on the shortlist for a huge cash award that could finance the start-up of her natural cosmetics company, and her products are already generating buzz in eastern North Carolina. Shes got no time for distractions, which of course means shell probably have them in spades. Charlie Mitchell wants to be one of those distractions. Hes had his eye on the quick-tempered sparkplug since they both went through puberty. The farmer thinks hes the perfect yin to Nikkis high-class yang, but shes barely looked his way in her whole twenty-eight years. Just when he finally catches the slippery womans attention, an old flame tries to shakes things up in a way thatll not only embarrass his preteen daughter, but disenchant Nikki as well. Charlies got one last chance to snag the girl next door, and this time its not his libido talking, but his daughter. She needs a mother, and she wants Nikki to fill the job. \*\*\*Contains scenes of explicit sensuality and adult language.\*\*\*
