

Shifter Romance: Dominated Behind Closed Doors

READ FOR FREE ON KINDLE UNLIMITED I swear, Liz, I almost flipped him the bird and told him to file this. Liz chuckled and Ava grinned, feeling her mood lighten as she remembered how tempted she had been to do something so out of character. It hadn't always been this way. When Ava and Michael had first gotten married, he was a handsome, caring and affectionate law student, a year away from passing the bar. But, in the four years since then, he'd become more and more preoccupied with his love for his job. At first, she had been so happy for him, thrilled that he had ended up in an occupation he was so passionate about. But then, he started coming home later and later during the week, and eventually pulling all-nighters at the office every now and then when a big case was just around the corner. But, at least when they were together, they were really together, still sharing their passions and interests, and indulging in the fiery intimacy they shared. Oh God, how I miss sex, Ava thought silently... WARNING - This content is not suitable for all ages. DOWNLOAD YOUR COPY RIGHT NOW
