

Lucy Durham Watson lost track of her sponsor child during Romanias flood. Now that the Christian organization has located her again, shes not about to lose her a second time. Disregarding advice from her family, she helps Anika and her father gain U.S. citizenship to live on her farm. Life in Romanias poverty is a stark contrast to the comforts of the Ozarks. A fact proven by Dorin, the father of her sponsor child. Governed by his pride and his disapproval of Lucys spontaneous and often reckless personality, they clash from the start. But when Lucy becomes the target of a stalker, everything changes.
