

The man was sinful. It wasn't just the looks that made him dangerous, it was the cocky confidence that dominated every move, every touch. And the frustrating yet ecstatic fact about the whole package was that he could back it all up... Julia Campbell never knows what to expect with win-at-all-costs Brad De Luca. And she's starting to like it that way. She gave up safe, conventional relationships when she let the elite divorce attorney seduce her into his world. Now that he's determined to strip her naked of every inhibition, she's in danger of falling too deep and too fast. But their affair begins to feel even more dangerous when a murder leaves a trail of suspicion that points straight to the mob...and Brad. Trusting a man with a bad reputation and a past full of secrets seems like a mistake. But when she's forced to make a choice, the consequences will take her further than she could ever have imagined.
