

## Pelican Point (Bachelors of Blueberry Cove)

Charming characters, emotion galore, a small town--you're going to love Donna Kauffman! --Lori Foster  
Blueberry Cove, Maine, is as small-town as small towns get. More than a little quirky, it has sheltered generations of families. But there's always room for a new face. . . Fixing things has always been Alex McFarland's greatest gift and keenest pleasure. But with her own life thoroughly broken, she's signed on to renovate the dilapidated Pelican Point lighthouse, hoping to reconnect with herself. The last thing she expects is to find herself falling in love--with the glorious coastline, with age-old secrets and welcome-home smiles. . .with rugged Logan McCrae, the man she just might be able to build new hopes on. DIY is so much better with two. . .Includes an easy do-it-yourself restoration project! Humor, heart, and characters you wish lived next door. Mariah Stewart
