

****THIS IS A CONTEMPORARY ROMANCE SET IN THE WORLD OF BLACKSTONE AFFAIR****Ivan Everley, 13th Baron Rothvale, would admit hes the last person on earth who should have custody over a priceless collection of art. British law affords him the title of Lord, but underneath all the trappings hes just a regular guy, despite being a world champion in archery, and certain...proclivities of a private nature. But Ivans public celebrity is merely a sham--a carefully guarded secret borne out of the pain of betrayal. Even his cousin Ethan Blackstone doesnt know the truth behind the man he considers a brother.Lord Rothvale has a plethora of problems piled up to his aristocratic eyeballs, but that doesnt stop him from complicating his world further when a beautiful art conservationist shows up to appraise his inherited collection of paintings. Once Ivan gets a taste of Gabrielle Hargreave, mistaken identity or not, he cant think of anything but how good the green-eyed beauty felt in his arms.The chase is on, and Ivans dominant side isnt taking no for an answer--but yet, Gabrielle might just teach our discontented lord a thing or two about life, and about himself, and help them both discover the undeniable truth in what it means to find something genuinely... priceless. I found you.
