Join the New York Times bestselling author on a journey to the sun-washed hills of Tuscany. Another sexy, wonderful, contemporary love story with all the heart, wisdom, and wit that have made Susan Elizabeth Phillips the gold standard for womens fiction. Shes Dr. Isabel Favor, Americas diva of self-help.Hes Ren Gage, Hollywoods favorite villain.Sometimes you just know that God has a sense of humor.Dr. Isabel Favor, author of *Four Cornerstones* for a *Favorable Life*, has sacrificed everything to build her self-help empire. Then, in a matter of weeks, it all comes crashing down. She loses her money to an unscrupulous accountant, her fiance to a frumpy older woman, and her reputation to headlines denouncing her as a fraud. Americas diva of self-help soon discovers she can fix everyones life but her own. Broke, heartsick, and soul-weary, she heads for Italy in search of a little breathing room. Lorenzo Gage makes his living killing people... on the silver screen, that is. Hes viciously handsome and sublimely talented. But as he begins his vacation in Italy, hes also vaguely dissatisfied. Being a villain with a face to die for has its rewards, but he hates the feeling that everything hes neglected in life is catching up with him. Then he spots Isabel sipping a glass of wine in a sidewalk cafe. A good guy wouldnt think of seducing such a tidy-looking woman... but hed never seen the fun in playing the hero.It doesnt take long for Isabel to realize shes escaped one kind of chaos only to be plunged into another. Even the shelter of a simple stone farmhouse nestled in a Tuscan olive grove cant provide her with the refuge she needsnot when the townspeople are scheming to drive her away, and her plan to restore her reputation has come up empty. And especially not when the man who deceived her refuses to leave her in peace.*Breathing Room* is a book for any woman whos dreamed of wandering

through a vineyard, of lazing under the Tuscan sky, or of reforming a deliciously wicked man. This is a story of hope and renewal, of love and redemption when its needed the most. Sometimes it takes a special place... a special love... a little breathing room... for life to deliver all its glorious promise.
