

Graphically Novel: A #GeekLove Contemporary Romance (Love Hashtagged) (Volume 3)

Her best friend has his own comic shop, respects her fandom, and offers to add a with benefits clause to their relationship, to distract her from the stresses of work. What more could a geek-girl ask for? Tori thought being the head designer and co-owner of a cosplay-themed lingerie company meant a chance to create. Instead of coming up with new ideas of her own, she spends all her time drawing others concepts, and managing her half the corporation. The pressure pushes her past the edge of frustration. Her best friend and Sunday afternoon movie buddy, Archer, offers her an outletsex, minus the emotional attachment. When getting off takes a graphically novel turn, Tori realizes dirty talk is a massive turn-on. The rush of speaking her mind bleeds into the workplace, and the backlash leaves Tori staggering. On top of that, she hasn't protected her heart from Archer as well as she intended. Now the novelty of saying what she thinks threatens to screw Tori out of her job and her closest friend.
