

Shutter: Volume One: Novella Series

I get paid to photograph intimate moments in other peoples livesspecifically one man. During the day, I watch while hes working, and every night I watch him while hes f***ing. It started as a job but quickly turned into an obsession. His name is Nikolas Gallo. I spent years in front of the camera before I escaped. Now Im behind it and in control of what my shutter captures. The moment I viewed Niko in the lens of my camera I found the escape Id been searching for. I finally felt connected - whole. There are two types of celebrity photographers; those that wait for their victim to venture into public to get their pay day; always allowing some small semblance of privacy. Then there are those lurking in the shadows, steadily invading private lives, hunting and searching for the most intimate of shots; thats what I have become. My name is Brook Beckham and I found my inner peeping Tom. Recommended for 18 and above. ***Shutter: Volume One is the first in a novella serial. This volume is ~22,000 words. Previously listed under the pen name Eli Chastain. Even though the name has changed the content is still the same.
