

Ham and Marmalade Sandwiches

...and there I am, huge grin on my face, making quack, quack noises with the yellow plastic duck, bogeys quite clearly visible in the picture. I look like Ive come straight from the funny farm. Liv is a psychology research assistant at her local university, knee deep in babies, assessments and study visits; working at Loony Land city centre for two mad professors...not exactly what she had dreamed of. Shes single again, on a quest to find that knight in shining armour. Who will be her Lancelot? Well, there is Lee, of course, vodka-drinking cat lover; Adam, Mr Lazy himself; Tony, Jake and Keith, no not Keith; and Nick... Can she stop being so paranoid about everything? Can she choose, forget her lucky cactus and take charge of her own destiny? The future is in her hands.

Butter each slice of bread on one side, then spread the other side of one slice with fig jam, and one with mustard. Top the fig jam with Brie and ham, sandwich
