

Riot (Predators MC)

As president of the Predators MC, my men and I are used to preying on the weak and those stupid enough to cross our paths. So why does a straitlaced teacher make me sit up and take notice when I see her for the first time? The brothers all think she makes me weak, and believe me, weak in their eyes isn't where I want to be. She wants me to prove she means more to me than the club, and when I fail, she thinks she can just walk away. She's wrong. I'm a Predator, and nothing escapes me. As a teacher, I'm supposed to want to educate those who want to learn, right? That's what I believed until I was told I'd have to teach a class at the prison. I didn't move to a town labeled as one of the safest places in America only to be faced with a bunch of Predators. He expects me to trust him despite being the reason I'm trapped in the middle of a prison riot. His club means more to him than I ever will, and if I give him a chance, he will break the fragile peace I have managed to find. It's not the first time I've had to escape a predator.
